## OUR BRAND

Ted Walker A new all-male brand consisting of iconic designs that combine impeccable craftsmanship with a contemporary aesthetic. All designs and sizes in the collection have been crafted to accentuate the male face. CORE VALUES Each model embodies the characteristics of the brand: classic and timeless lines, as well as meticulous attention to detail and a high level of style and functionality. Our goal is to create durable, durable pieces.

When we mention classic looks, we think of iconic masterpieces with timeless retro appeal and masterpieces with a more sporty and casual feel. This classic does not represent old fashioned or old people, but belongs to tradition and applies to a wide range of consumers from all over the world, rather than a single niche market.
